

MCAS Miramar Youth Sports Team Parent

Our programs expect to see the team parent as a willing volunteer to assist the coaches and team with administrative duties and a critical communication link role to fulfill. Each team is allotted one official team parent. This team position is a great help to the coaching staff and keeping parents involved with the team. With an assigned position of team parent, communication between coaches and Youth Sports Staff are streamlined. This translates into well informed parents and a better sport season for all the youth athletes. The team parent is issued a Team Parent shirt to be identifiable at all games and during the trophy ceremony. For any questions and/or concerns, the Youth Sports Staff is always available to assist.

Please note: You will often be a sounding board for coaches and parents. Team Parents are most likely to be the first to know of concerns from parents and/or private family situations.

Team Parent Responsibilities

- Serves as the team's manager and facilitator for parents concerns or questions.
- Organize Game Snack Schedule, ensure food allergies are addressed.
- Will be confidential to sensitive information, honest, and trustworthy.
- Compiles team's picture day forms.
- Communicates game schedule, weather inconveniences/cancellations, or any game/practice changes to parents.
- Assist in compiling a team contact roster for coaches and parents.
- Work with the Coaches to request a change, update or exclude team duties as needed.
- Delegate responsibilities as needed to better the team's involvement and participation.
- Must wear issued Team Parent shirt with pride at all games and the trophy ceremony.
